Information to add leaves on the Living Tree can be found in the Narthex Bookrack.

We hear the call of another prophet this week - Isaiah. This introduces the Gospel, where we see Jesus calling his first disciples to follow him. Notice that the initiative is Jesus' there is no application process or interview procedure! Also notice the way that Jesus calls his disciples in this account - not with words, but with a miracle that is also a parable. It is, in a way, a miraculous "job description": if the disciple trusts completely in the one who calls, then the result will be truly amazing - a huge catch of men and women hungry for God. Simon's simple words "if you say so" give us an example of Christian discipleship: we should leave our own concerns behind, and simply follow the Lord with great trust.
