These are the recommendations from the Prime Bishop and the Bishops of the church. The Church doors will be open for all the celebrations, but it is recommended to stay home or keep a social distance if attending the liturgy.

### **A Reminder:**

Although we are in the Green Zone, there has been an increase of new cases in Allegheny County. Please do not should be congregate in the narthex before and after Mass, and face masks are still required to be worn during Mass as well as social distancing in pew seating and receiving communion. The Bishops have forbidden the distribution of Holy Communion in the hand and to resume offering under one species. Father's fingers will be sanitized between each communicant to be safe. If you feel uncomfortable with this, come forward for a blessing or remain in the pew and pray the spiritual communion prayer in the bulletin. The pandemic is still not over and by practicing these precautions, it will ease concerns for parishioners who would like to begin attending Mass if we all cooperate keeping to the recommendations. Hopefully, we can resume worshipping on a regular basis. We will continue keeping the worship center safe by sanitizing the Church

Intercational Village. Other concession stands also decided not to participate due to the pandemic which causes difficulty in the preparation of food. With these issues, the City of McKeesport has decided to cancel this year's Village. Since the Village is a major fundraising source for the parish, ideas are needed to recoup our financial loss and a plea towards increased giving.
