**Father's Day**

**Deacon Service**

**9:00 A.M.**

Deacon David Nichol will be presiding while Fr. And Marian will be away attending a family funeral. Father can be contacted by calling 412.494.8276.

These are the recommendations from the Prime Bishop and the Bishops of the church. The Church doors will be open for all the celebrations, but it is recommended to stay home or keep a social distance if attending the liturgy.

### **A Reminder:**

Although we are in the Green Zone, you should not be congregating in the narthex before and after Mass, and face masks are still required to be worn during Mass as well as social distancing in pew seating and receiving communion. The pandemic is still not over and by practicing these precautions, it will ease concerns for parishioners who would like to begin attending Mass if we all cooperate keeping to the recommendations. Soon we will be worshipping on a regular basis. We will continue keeping

the worship center safe by sanitizing the Church before each service. Always check the Website or Facebook for any new recommendations.

***Psalm 91:1-4- For Personal Anxiety In This Time***

***“Those who live in the shelter of the Most High will find rest in the shadow of the Almighty. This I declare about the Lord: He alone is my refuge, my place of safety; he is my God, and I trust him. For he will rescue you from every trap and protect you from deadly disease. He will cover you with his feathers. He will shelter you with his wings. His faithful promises are your armor and protection.”***

**June is Sacred Vocations Month-Pray for the increase of Sacred Vocations in our Church**

Lord Jesus Christ, You have told us that there is plenty of harvest in Your Fathers garden, but the laborers are few. We pray for vocations in our PNC Church. Help our parents to mentor their sons to realize the call to Sacred Vocations.

Help our priests and deacons so that they may also be perfect role models to the young ones and mentor them to pray and take up the sacred vocation of serving the church of Christ.

Lord, make us Your laborer’s in Your farm and give the strength to work for You. Help us do our part and we will get our wages on the last day. Amen

**Honor Your Father on Father’s Day**

On Father's Day we will pray for and honor all of our fathers, both lay and clergy, past and present, to express our gratitude, remembrance and love for all they have done for our families and for our Church. For the continued support of our Clergy Pension Fund, and to acknowledge ALL FATHERS, we will publish, beginning in the June issue of God's Field – Rola Boża your name and the name of the father you wish to acknowledge or remember.

For each acknowledgement or remembrance, we are requesting a minimum donation of \$25.00, payable to the Clergy Pension Fund PNCC. This effort will have a two-fold effect for us, by acknowledging or remembering our fathers, lay or clergy, for all they have done for us and also to bolster our Clergy Pension Fund in order to show our continued support for our Clergy, our Church fathers, who make so many sacrifices each day in the service of God and to us and our Church.

All donations received go to support the Clergy Pension Fund of the Polish National Catholic Church.

Please complete the form and submit it with your minimum donation of \$25.00 per name, to:

Clergy Pension Fund  
National Church Center  
1006 Pittston Avenue  
Scranton, PA 18505

Please make the checks payable to: "Clergy Pension Fund P.N.C.C."

Mark 3:13-19; Luke 9:28-36; Matthew 20:20-28

Questions for Reflection:

Jesus taught the "Sons of Thunder" that true honor and greatness come from putting the needs of others before your own and becoming a servant. Do you sometimes do things so that others will see you doing them instead of doing them out of love? How

can you better learn the lesson that James and John learned as disciples of Jesus?

How can you, as a disciple, help others take their relationship with our Lord more seriously?

Name a few important “discipleship qualities” that Saints James and John demonstrate?

Which one would you personally like to better emulate?

How can you begin to practically do so in your daily life?
