Teleconference Number 1.800.977.8002 code 086657#

All PNU Branch 132 members are welcomed to attend the meeting via the teleconferencing.

A Reminder:

Although we are in the Green Zone, there has been an increase of new cases in Allegheny County. Please do not congregate in the narthex before and after Mass, and face masks are still required to be worn during Mass as well as social distancing in pew seating and receiving communion. The Bishops have forbidden the distribution of Holy Communion in the hand and to resume offering under one species. Father's fingers will be sanitized between each communicant to be safe. If you feel uncomfortable with this, come forward for a blessing or remain in the pew and pray the spiritual communion prayer in the bulletin. The pandemic is still not over and by practicing these precautions, it will ease concerns for parishioners who would like to begin attending Mass if we all cooperate keeping to the recommendations. Hopefully, we can resume

worshipping on a regular basis. We will continue keeping the worship center safe by sanitizing the Church
